Mr Jonathan Carr

MD MA(Cantab) FRCOphth
Ophthalmic Surgeon

Mr. Carr is an experienced Ophthalmic Surgeon who specialises in [laser vision correction](#). In his 13 years of refractive surgery experience, he has performed over 20,000 [LASIK](#) and 5000 [LASEK](#) procedures. His sub-speciality fellowship training is in corneal diseases and refractive surgery. Before joining Optical Express, Mr. Carr was Clinical Assistant Professor of Ophthalmology at Emory University School of Medicine and a full-time LASIK surgeon at InView, the internationally renowned refractive surgery centre in Atlanta, USA.

He was a Clinical Investigator in many of the early United States Food & Drug Administration (FDA) clinical trials of PRK and LASIK and has continued his FDA clinical trial commitments for over a decade. He has given over 60 presentations at the world's most prestigious academic meetings and his work appears in seven leading textbooks on refractive surgery. He serves on the Editorial Committee of the Journal of Refractive Surgery, and reviews research work for several other leading peer reviewed ophthalmology journals.
